

Gain more time to focus on your cause

Abila MIP is a configurable true fund accounting solution that allows you to report and track information most important to you, your board and your funders.

To help deliver on your mission, you need solutions that can change and grow with you through your most difficult budget, human capital management and payroll decisions alike.

Provide visibility and accountability within your organization:

- **stay organized** - your general ledger can easily track specific grants, funds or programs with an unlimited amount of segments
- **make informed decisions** - track budget progress for each of your grants, funds or programs and make decisions for the future with "what-if" scenarios
- **stay connected** - view account balances, access reports, perform quick tasks and make informed decisions on your mobile phone or tablet using Abila MIP Mobile
- **be prepared** - breeze through your audit process and meet your financial accounting requirements quickly with FASB and GASB reporting standards already built into the product
- **empower your employees** - payroll and employee records, like time sheet history and pay information, are easily accessible and can be managed by your employees
- **move forward with technology** - a cloud based option makes installation easy and provides you instant access to software upgrades

MIP is a flexible system configured to meet your needs:

Standard solution includes	Other available modules

ABILA MIP FUND ACCOUNTING

"QuickBooks® was great during our start-up phase, when we had 12 people and a budget under \$3 million. But now we have multiple companies in eight different countries, and have tripled our budget. We needed something much more powerful and scalable."

- ENDEAVOR GLOBAL

Abila has a five star ranking from CPA Practice Advisor for our ability to meet the needs of mid-sized nonprofit organizations and government entities that require comprehensive fund management, custom budgeting, and grant management capabilities.
